COUPON SPECIAL SERVICE SERVICE

The other day, not so far from here, a jury awarded \$155,000 to a man injured in an automobile accident.

I don't know whether the motorist who had to fork up this amount was fully covered by his liability insurance.

The chances are he was only PARTIALLY covered.

The rest came OUT OF HIS OWN POCKET-somehow.

You may be thinking "this couldn't happen to me." But it

happens every day, to people just like you. It could happen tomorrow. YOU CAN'T AFFORD TO TAKE A CHANCE. Let me review your automobile insurance, and make sure you have enough protection.

If you have insurance now, it takes only a very few dollars more to double your protection. Don't wait until you get saddled with a lifetime judgment.
